

Electric Trimmers

Quick & Easy Rotary Trimmers

Wide Format Electric Trimmers are a perfect fit for Sign and Print Shops looking to improve their finishing solutions. Time-Saving features and functions make trimming faster and easier than ever.

Key Benefits

- **Self-Sharpening Blade** Bi-directional self-sharpening rotary blade easily cuts in both directions
- **Easy to Use** Touch anywhere along the full length activation bar activate the cutting blade or use the included Foot Pedal for hands-free operation
- **Fast Efficient Trimming** Fast 6.6ft/sec blade speeds help reduce trimming time compared to using manual trimmers.
- **Convenient** Sturdy stand with castors makes it easy to move around the workshop.

Available in 65" and 98" trimming widths

Optional Roll Holder Available
 RET-RH1652 – 65" for RET-1652 Trimmer
 RET-RH2502 – 98" for RET-2502 Trimmer

These economically priced electric trimmers are specifically designed for users to easily and professionally finish wide format graphics. They provide smooth, clean cuts on a wide variety of substrates. Fully featured with fast trimming speeds, a full length activation bar, foot pedal activation, lighted power switch, wastecatcher, built-in safety covers, durable steel floor stand and illuminated guide line all designed for quick and accurate trimming of signs, posters, and various laminated materials.
